ROOMS FOR RENT.

If you were seeking accommodations, you would not first go out looking for signs. You would first read your paper to see what is being offered. For every person who daily sees a sign of "Rooms for Rent" outside a house, probably one thousand read The Washington Herald. In other words, the chances are about 1,000 to 1 that a Herald Ad will rent rooms quicker than a sign. The rate on ads of Rooms for Rent is 1 cent a word for each day the ad appears. Ads may be left at the Business office, any Branch Office, 'phoned, or mailed.
